

Legend at this years Computex 2005

Taipei, Taiwan - (May 19, 2005), Legend will once again take part in this years Computex PC Show in Taiwan. The company plans to showcase their range of DDR & DDR2 modules as well as their manufactured Secure Digital (SD) & Multi Media Card (MMC) products. "This year we have an even larger range of LEGEND manufactured products on show than previous years, which is a clear sign to our commitment of offering a broader line of memory devices especially in the emerging flash digital media market" said Rob Kester Sales Director for Legend.

Legend will be exhibiting in Hall 1, stand B820, for more information regarding Computex go to <http://www.computextaipei.com.tw>.
