

Legend awarded Hitachi Global Storage Technologies Best Design In Partner

Beijing, China - (June 10 2005), In a further strengthening of the relationship with Hitachi Global Storage Technologies Legend was awarded Best Design In partner at Hitachi GST's recent Asia Pacific conference in China. The award acknowledges Legend's work in value adding Hitachi Hard Disk Drive product in such applications as the Legend Digital Personal Video Recorder (PVR), external cases and retail HDD products. In addition Legend has considerably grown sales through its OEM & channel markets in Australia, New Zealand & Thailand. "Our growth with Hitachi is due to our focus on promoting only one hard disk drive vendor, our just in time availability and our complimentary linecard" said Rob Kester, Sales Director for Legend Corporation. "We expect to have further product offerings incorporating Hitachi Hard Disk Drives as we further develop our Consumer Electronics (CE) linecard in the near future". Kester added.
