

Legend - leading brokers choice selection of shares for 2006

Adelaide, January 9, 2006 — The Advertiser newspaper has reported leading brokers choice selection of shares for 2006. Mr Tony Catt from Ord Minnett and Macquarie Financial Services both select Legend Corporation Limited (LGD) as “Best Buys”.

This places Legend in the same rankings as other selections such as Adelaide Bank and Hills Industries. Macquarie Financial Services praised the Legend management team, and Mr Tony Catt viewed that the new Singapore production facility would improve delivery times into China, Europe and South Africa. The positive comments from these leading brokers lend support to Legend during times of further global expansion as the organisation remains on target to achieve 2006 results.

About Legend

Legend is a digital technology company that makes and sells memory and memory based consumer electronics products to customers across the globe. Legend’s operations extend throughout Australia, New Zealand, South Africa, Singapore, Hong Kong, Thailand, Taiwan and Europe. Legend was established in 1989 and commenced manufacturing operations in 1993. Legend has manufacturing facilities in Adelaide (South Australia) and Singapore. Legend has a broad range of clients including Acer, Sony, Xerox, NEC and Dell, through to major Australian based computer systems integrators such as Volante, ASI and Optima. The Legend Digital range of consumer electronics offer customers innovative technology at prices they can afford and is available at major merchandising chains including Dick Smith Electronics, Kmart, Myer and Harvey Norman.
